

2023 FALL SESSIONS (1-3)
(Ages 13-16) "Future Academy"

Tennis Program

Conducted By:

This program is designed for juniors aged 13-16 looking to advance their knowledge of the game through drilling techniques and increased match play to better prepare them for Greensboro Gate City Junior League. These players are transitioning from our "Future Stars" / Green Dot program into using the regular ball. The players will already have knowledge of strokes, technique and point play but these will be improved upon and advanced. This is not a beginner level program.

Over the past few years, we have noticed a much higher level of participation in our junior program. We ask that you sign up in advance of these classes! We will be keeping our group class ratios low and limiting spaces in each session.

- Sign-up will be limited. The staff will text the "Future Academy" parents group each week for sign up.
- Clinics / practices are pre-paid for in sessions of you can pay the drop-in fees associated without a package purchase.
- Please remember that we will not be putting water coolers out on the courts and ask that people bring their own water / use the refilling station on the deck.
