## OUR PHILOSOPHY

At Camp Georgetown, we believe summer is a time for children to:

- Be outside
- Enjoy guided playtime
- Connect and build community with other children
- Explore their creativity through games, arts, and crafts

Camp Georgetown is licensed by the State of Michigan and offers a safe and secure environment for your child to have an amazing summer experience, enjoying all that Georgetown Country Club (GTCC) has to offer—expansive outdoor pool, golf and footgolf courses, tennis courts, gaga ball, volleyball, and much more!

## Outdoor Recreational Time

- Outdoor play is a primary experience at Camp Georgetown.
- Guided weekly themes with outdoor recreational activities.
- Campers experience guided play for most of the day within GTCC's facilities and grounds:
- Daily swim time in the outdoor pool featuring a zero-entry shallow area, deep end, and diving well all monitored by on-staff lifeguards. We will hold a swim test each week. Strong swimmers determined by certified lifeguard will be allowed to swim outside of zero-entry.
- Playtime in the open field areas such as the sand volleyball court, basketball court, and gaga-ball pit, among others.
- Participation in structured games including golf, footgolf, volleyball, tennis, and soccer on GTCC's grounds.
- Additional outdoor arts and crafts and physical recess activities take place daily on GTCC's grounds.

## Creativity

- Weekly themes guide the focus of arts and crafts activities.
- Fine motor skills are put to work cutting paper, pasting, drawing, taping, building, and inventing over the duration of camp.
- Campers love creating and sharing with friends, and learning new games and activities whether they enjoy one week or multiple weeks at camp.

## Building Community and Connections

- Group activities and collaborative games are the foundation of a child's day at camp.
- Children engage with children from different age groups.
- Camp counselors share their interests, special skills, and passions with campers through the weekly themes.

GTCC Clubhouse, 1365 King George Blvd, Ann Arbor, MI 48108

Please allow extra time during drop-off on Monday mornings so staff can ensure all camp paperwork is complete for your child.

For those dropping off after 9:00 am, Camp Georgetown activities will move outdoors. Signage or staff will direct you to the campers if they are not in the Clubhouse.

## Child Pick-Up: 3:30 pm – 4:30 pm

GTCC Clubhouse, 1365 King George Blvd, Ann Arbor, MI 48108

Only Authorized Persons are allowed to pick up your child from camp. Anyone that picks up a camper is required to show a photo ID, as outlined in the Camper Release policy.

## Camper Release Policy

### When may a Camper be released to an Authorized Person?

A camper may be released to an Authorized Person at any time during the camp day. The general camper release window is 3:30-4:30 pm. If parents/guardians will be picking up children outside of the normal window, Camp Georgetown requests parents/guardians give advanced notice so staff can plan accordingly.

### Where are Campers released from Camp Georgetown to the Authorized Person?

Campers are released at the GTCC Clubhouse at 1365 King George Blvd, Ann Arbor, MI 48108. If you pick up your child outside the normal release window (3:30-4:30 pm), a different release location can be coordinated based on where camp activities are taking place. Please be sure to alert camp staff ahead of time to ensure all belongings and the proper paperwork are available for your child's release at a different location.

### What is the process when I arrive to pick up my child from Camp Georgetown?

When you arrive at the GTCC Clubhouse, please plan to sign your child out at the check-out table, where you will be assisted by camp staff. If you do not immediately see a camp staff member, please wait a moment for someone to assist you.

For the safety of your child, they may only be released to someone the parent/guardian identified as an Authorized Person per the list established during registration and confirmed on the first day of camp. Please ensure that anyone that picks up your child from camp is on the Authorized Person list for your child. Camp staff will request a photo ID from anyone picking up a child from camp to ensure they are on the list of Authorized Persons.

If a person who is not on the list attempts to pick up your child, or who does not have a photo ID, camp staff will contact the emergency contacts listed to ensure the safe release of your child.

## CAMPER MEDICATION

Camp Georgetown may administer medication to children at camp when provided clear instructions and permission from a parent/guardian. The child's parent/guardian must complete the Medication Authorization form, listing any/all medications that must/may be administered by camp staff. This includes the medication name, administration dates/times ("as needed" is acceptable), dosage, and storage or other requirements. The Medication Authorization Form can be used for multiple camp days/weeks, if applicable.

All medication must be in the original container. Prescription medication must include the dosage information/instructions from the prescribing physician.

## BEHAVIOR POLICY

Our focus is to create a safe, secure, and positive environment for all campers. We strive to create this by promoting respectful interactions at every level between campers, and between campers and staff members. Campers are expected to be respectful of each other and staff, and responsible for themselves and their belongings.

When a camper cannot behave in a respectful manner toward other campers or staff, it impacts the experience for everyone at camp. If a camper is involved in activity such as fighting or bullying, leaving the group without permission, repeated use of foul language, or continually disregarding camp rules that it impacts group safety or the positive experience of other campers, staff will use techniques such as redirection, small group discussion, problem solving, and review the camp rules regarding respectful behavior with the camper. The goal is to resolve the issue so all campers have a safe and positive experience at camp.

If the aforementioned techniques are not effective in curbing a camper's inappropriate behavior, camp staff will contact the parent/guardian for additional guidance regarding the behavioral issue. If, after all of these measures are taken, a camper continues to behave in a way that is deemed unsafe, routinely violates the camp rules, or behaves in an inappropriate manner as determined by the Camp Director, the parent/guardian may be notified to take the camper home. In this event, no refund will be made.
