

GREATER SEATTLE SUMMER SWIM LEAGUE

Gender-Inclusion Athlete Bylaw

GSSSL supports athletes of all genders, including transgender and non-binary athletes. Member teams must operate in compliance with the league's Gender-Inclusion Policy and are encouraged to use the Gender-Inclusion Procedures as they determine how to best provide gender-inclusive programming for their team. Teams should distribute guidelines for their pools to all division member teams at the start of the season. **The Gender-Inclusion policy will be outlined in the league's operating plan. Any changes to the policy must be voted on by the league at the spring meeting and presented to teams at least six weeks prior to the meeting.**
